4 Talk to the program by typing in plain English, using
  normal upper-
5 and lower-case letters and punctuation.  Enter "quit
  " when done.
6 =====
  =====
7 Hello.  How are you feeling today?
8 > I am feeling comfortable.
9 I am feeling comfortable.
10 How long have you been feeling comfortable?
11 > For about a day or so.
12 For about a day or so.
13 Let's change focus a bit... Tell me about your
  feelings with regards to AI.
14 > I am interested in AI
15 I am interested in AI
16 How do you feel about being interested in ai?
17 > I feel good about it.
18 I feel good about it.
19 When you feel good about it., what do you do?
20 > I relax.
21 I relax.
22 I see.  And what does that tell you?
23 > It tells me that I am not as tense when I am
  interested in what is going on around me.
24 It tells me that I am not as tense when I am
  interested in what is going on around me.
25 Why do you say that it tells you that you are not as
  tense when you are interested in what is going on
  around you?
26 > Well, I'm not quite sure what to add.
27 Well, I'm not quite sure what to add.
28 Very interesting.
29 > Why am I talking to you. You are a computer.
30 Why am I talking to you. You are a computer.
31 How do computers make you feel?
32 > Neither good nor bad, usually. But I don't know how
  I feel speaking to you.
33 Neither good nor bad, usually. But I don't know how I
  feel speaking to you.
```

34 Why do you say that neither good nor bad, usually.  
but you don't know how you feel speaking to me?

35 > Well you are not a person. You are a program, a  
computer.

36 Well you are not a person. You are a program, a  
computer.

37 Does it seem strange to talk to a computer?

38 > Yes.

39 Yes.

40 OK, but can you elaborate a bit?

41 > I'd rather not.

42 I'd rather not.

43 Please tell me more.

44 > Alright, if you insist. I am worried that you will  
use the information you collect from this  
conversation against me somehow.

45 Alright, if you insist. I am worried that you will  
use the information you collect from this  
conversation against me somehow.

46 Let's change focus a bit... Tell me about your  
feelings with regards to AI.

47 > quit

48 quit

49 Thank you for talking with me.
